

### 6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The institute employs various strategies to mobilize funds and ensure optimal resource utilization:

1. **Student Fees:** The primary revenue source is the annual fees collected from students, adhering to state fee regulatory guidelines. These fees are deposited into college bank account and withdrawn as needed.
2. **Operational Expenses:** Funds are allocated to cover day-to-day operational and administrative expenses, as well as maintenance of fixed assets. Head of departments allotted Rs. 5000/- for the day-to-day expenses.
3. **Laboratory Equipment:** Funds are allocated for the purchase of advanced laboratory equipment to support faculty and student research interests.
4. **Library Enhancement:** Adequate funds are provided annually to enhance library facilities, facilitating innovative learning practices.
5. **Teaching-Learning Practices:** Funds are allocated for effective teaching-learning practices, orientation programs, workshops, interdisciplinary activities, and training programs, ensuring quality education delivery.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources
