

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals:

Celebrating festivals in college brings parents, local leaders, and community members into the college environment, fostering a sense of belongingness. Participation in national day events encourages students to develop qualities such as discipline, responsibility, and team work. Institute organise birth & death anniversaries of the national leaders to remember their contribution for principles, convictions and sacrifice for others welfare and development. Independence Day on 15th August and Republic Day on 26th January are the national festivals of our country and the institution celebrates it with great enthusiasm which inculcates patriotism among the students and citizens.

Birth and Death anniversaries of great persons who dedicated their life for the development of the nation have been celebrated by paying homage and remembering their contribution to the nation. International day of non-violence is celebrated on the occasion of birth anniversary of Mahatma Gandhi on 2nd October. Birth anniversaries of Dr. A. P. J. Abdul Kalam, RajarshiShahuMaharaj, Dr. SarvapalliRadhakrishnan, ChhatrapatiShivajiMaharaj, LokamanyaTilak, SwamiVivekanand etc. are also celebrated every year. It helps the students to know about National and International importance of these days. Students learn to understand various customs and practices of religions.
