

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations, values, rights, duties and responsibilities of citizens:

Human values are the things that motivate us to do what we do and make decisions based on these values. They serve as a guide for human behaviour. The institution sensitizes the students and the teachers to the constitutional obligations about values, rights, duties and responsibilities and constantly works upon to educate them as better citizens of the country through various curricular and extra-curricular activities. The institution takes many initiatives like conducting awareness campaigns, innovative program, and values program and lectures to sensitize the future leaders to inherit human values coping with the constitutional obligations. The university has introduced a compulsory paper on the constitution of India at Degree level to create awareness and sensitizing the students and employees. As a part of strengthening the democratic values students take a course on Environment studies in their second year, which gives them insight into environment acts, wildlife protection act, forest act, global environmental concerns etc. The institute organized Tree plantation, which helps to understand importance of environment conservation. Also we organize plastic free campaign. Every year Republic Day and Independence Day are celebrated by organizing activities highlighting the importance of Indian constitution.
