

6.1.2 The effective leadership is visible in various institutional practices such as decentralization and participative management.

Management manages the administration of institute through Principal. The Principal with assistance of heads of the departments monitor the regular activities of the institution. Principal of the Institution constitutes different committees and the faculty members are empowered to carry out assigned work by the principal. All Statutory committees are given authority to conduct the activities and necessary resources will be provided to them by the institution. The institute is always committed to the participative management to ensure better co-ordination and controlling the activities. To develop the leadership at various levels, principal gives the authority and responsibility to the HODs. To develop leadership quality among students college include student representatives in various committees like sports, cultural, NSS, IQAC etc. which will buildup the confidence of the student. Principal gives the powers to the HODs and faculty to increase the efficiency in the day-to-day operations. The College Development Committee gives suggestion to improve the overall quality enhancement of the institution. Principal and HODs implement all the activities as per the calendar.
